Additionner

1 Décompose les calculs. Sers-toi de l'exemple.

$$25 + 33 = 20 + 5 + 30 + 3 = 50 + 8 = 58$$

$$45 + 14 = 40 + 5 + 10 + 4 = 50 + 9 = 59$$

$$63 + 35 = 60 + 3 + 30 + 5 = 90 + 8 = 98$$

$$74 + 24 = 70 + 4 + 20 + 4 = 90 + 8 = 98$$

$$86 + 23 = 80 + 6 + 20 + 3 = 100 + 9 = 109$$

2 Effectue les calculs. Sers-toi de l'exemple.

$$46 + 8 = 46 + 4 + 4 = 50 + 4 = 54$$

$$54 + 9 = 54 + 6 + 3 = 60 + 3 = 63$$

$$127 + 7 = 127 + 3 + 4 = 130 + 4 = 134$$

$$248 + 6 = 248 + 2 + 4 = 250 + 4 = 254$$

$$339 + 9 = 339 + 1 + 8 = 340 + 8 = 348$$

3 Complète ces opérations.

$$20 = 10 + 10$$

$$40 = 20 + 20$$

$$60 = 40 + 20$$

$$80 = 50 + 30$$

$$250 = 200 + 50$$

$$300 = 150 + 150$$

$$400 = 120 + 280$$

$$650 = 50 + 600$$

$$122 = 100 + 22$$

$$95 = 85 + 10$$

$$366 = 200 + 166$$

$$825 = 410 + 415$$

4 Calcule en ligne sans poser l'opération.

$$50 + 32 = 82$$

$$37 + 62 = 99$$

$$21 + 68 = 89$$

$$42 + 47 = 89$$

$$14 + 42 + 33 = 89$$

$$122 + 243 = 345$$

$$563 + 326 = 889$$

$$456 + 112 = 568$$

$$694 + 305 = 999$$
